 **KABISA™**
100% Electric

ABOUT KABISA

Kabisa is Rwanda's leading electric mobility company, dedicated to developing a complete ecosystem that supports the transition to electric transport. From quality vehicle models and expert servicing to charging infrastructure, we offer tailored solutions for both individuals and businesses seeking cleaner, smarter mobility.

Charging Access Anywhere

Enjoy discounted rates across Kabisa's nationwide charging network, available 24/7 and mapped on Google Maps. Our chargers are strategically placed along major business, logistics, and commuter routes to keep your EVs ready at all times.

Expert Servicing & Support

Access our EV-specialized garage for fast, expert care. Benefit from 24/7 roadside assistance, free check-ups, and specialized tools for EV and hybrid diagnostics, ensuring minimal downtime for your vehicles.

Lower Costs & Financing

Save up to 80% on fuel and maintenance by switching to electric vehicles, with flexible financing options to make the transition easier. At the Kabisa EV House, explore fleet options and long-term savings.

Fleet & Home Charging Solutions

Install a variety of chargers at your business premises or home to ensure your vehicles are always ready. Our installation team provides a complete setup, training, and continuous support.

GEELY E5

Color Options:    

Key Information

Make/Model Trim	Geely E5	Horsepower / Torque (kW)	218 hp (1600 kW) 320 Nm
NEDC Range	520 km	Top Speed (km/h)	175 km/h
Battery Size	49.5 kWh	Max Charging	DC 100kW (0.5 hr) / AC 11 kW (5 hrs)
Motor	Single Motor - Front Wheel Drive		

Dimensions

Consumption (kWh /100km)	12.2
Body Arrangement	5 seats, 5 doors
L×W×H (mm)	4615*1901*1670
Ground Clearance (mm)	173
Curb Weight	1,715
Tires	235/50 R19
Vehicle To Load	3.3kW

Extra/Additional Information

Safety Features: Driver & Passenger Airbags, ABS anti-lock brake, Traction Control, Tire Pressure Monitoring, ISO, Rear Parking Radar

Additional Features: Reverse Camera, Parking sensor, 6 speakers, Touch screen 10.1 infotainment, A/C.

BYD YUAN UP

Key Information

Color Options:    

Make/Model	2025 BYD Yuan Up		Horsepower / Torque (kW)	177 hp (130 kW) 290 Nm
Trim	Basic range extended		Top Speed (km/h)	160 km/h
NEDC Range	401 km	401 km	Max Charging	DC 65kW (0.5 hr) /
Battery Size	45 kWh	45 kWh		AC 6.6 kW (5 hrs)
Motor	Single Motor - Front Wheel Drive			

Dimensions

Consumption (kWh /100km)	12.2
Body Arrangement	5 seats, 5 doors
L×W×H (mm)	4310×1830×1675
Ground Clearance (mm) Curb	150
Weight	1,540
Tires	215/65 R16
Vehicle To Load	3.3kW

Extra/Additional Information

Safety Features: Driver & Passenger Airbags, ABS anti-lock brake, Traction Control, Tire Pressure Monitoring, ISO, Rear Parking Radar

Additional Features: Surround Camera, Side curtain Airbags, Surround Camera.

BYD TITANIUM 3

Color Options:    

Key Information

Make/Model	BYD Leopard Titanium 3 2025	Horsepower/Torque (kW)	218 hp (160 kW)
Trim	BYD Titanium 3	310Nm	
CLTC Range	500 km	Top Speed (km/h)	201 km/h
Battery Size	65.28 kWh		
Motor	Single Motor - Front Wheel Drive		

Dimensions

Consumption (kWh /100km)	12.2
Body Arrangement	5 seats, 5 doors
Steering wheel material	Leather
L×W×H (mm)	4605*1900*1720
Ground Clearance (mm)	173
Curb Weight	1900
Tires	235/60 R18
Vehicle To Load	3.3kW

Extra/Additional Information

Safety Features: Driver & Passenger Airbags, ABS anti-lock brake, Traction Control, Tire Pressure Monitoring, ISO, Rear Parking Radar

Additional Features: Reverse Camera, 360 degree panoramic images, Open Sunroof, Wireless charger, Parking sensor, 6 speakers

LUX: BYD SONG PLUS

Key Information

Make/Model	BYD Song Plus	Motor Horsepower	204 hp
Trim	Flagship	Top Speed (km/h)	175 km/hr
NEDC Range (km) Battery	605 km	Max Charging	DC 90 kW (30 mins) / AC 7 kW (10.2 hrs)
Size (kWh)	87.04 kWh		
Motor	Single Motor - Front Wheel Drive		

Dimensions

Consumption (kWh /100km)	13.8 kWh
Body Arrangement	5-door 5-seat \ Foldable back seats
L×W×H (mm)	4705×1890×1680
Weight	1920 kg
Luggage Volume	574 L
Tires	245/45 R19

Extra/Additional Information

Safety Features: Airbags, Child Seat Interface, ABS anti-lock brake, Traction Control, Tire Pressure Monitoring, ISO

Additional Features: 1Panoramic Sunroof,Rear Camera, 12.8 inch touch screen, 9 speakers, Ventilated seats, 540 cameras, wireless charger.

Warranty: 5 Years(80,000km) whichever comes first

BYD SEA LION

Key Information

Make/Model	2026 BYD Sea lion	Motor Horsepower	326 hp
Trim	Flagship	Top Speed (km/h)	210 km/hr
NEDC Range (km)	605 km	Max Charging	DC 90 kW (30 mins) / AC 7 kW (10.2 hrs)
Battery Size (kWh)	69.07 kWh		
Motor	Single Motor - Rear Wheel Drive		

Dimensions

Consumption (kWh /100km)	13.8 kWh
Body Arrangement	5-door 5-seat \ Foldable back seats
L×W×H (mm)	4810×1920×1675 mm
Weight	2,040 kg
Luggage Volume	757 L
Tires	235/55 R19

Warranty: 5 Years (80,000km)

Extra/Additional Information

Safety Features: Airbags, Child Seat Interface, ABS anti-lock brake, Traction Control, Tire Pressure, Monitoring, Lane Departure Warning, Forward Collision Warning, Rear Collision Warning, Blind Spot Warning, Active Emergency Braking, Body Stability System (ESP)

Additional Features: 1 Panoramic Sunroof, Rear Camera, 12.8 inch touch screen, 8 speakers, 360° panoramic camera, wireless charger, built in dash camera.

RELY R08EV

Key Information

Make/Model 2026	Motor Horsepower 408 hp
Trim 4wd pure electricity	Top Speed (km/h) 160 km/hr
NEDC Range (km) Battery 505km	Max Charging DC 50 kW (1.5hrs) / AC 6.6kW (9hrs)
Size (kWh) 88kwh	
Motor Single Motor - All Wheel Drive	

Dimensions

Consumption (kWh /100km)	17.4 kWh
Body Arrangement	4-door 5-seat \ Foldable back seats
L×W×H (mm)	5330 × 1920 × 1935 mm
Weight	2,240 kg
Luggage Volume	11m ³
Tires	265/65 R17

Extra/Additional Information

Safety Features: Airbags, Child Seat Interface, ABS anti-lock brake, Traction Control, Tire Pressure, Monitoring, Lane Departure Warning, Forward Collision Warning, Rear Collision Warning, Blind Spot Warning, Active Emergency Braking, Body Stability System (ESP)

Additional Features: Rear Camera, 12.3 inch touch screen, 360° panoramic camera, wireless charger, built in dash camera.

Warranty: 5 Years (80,000km)

RIDDARA RD6 Pickup, 2WD

Key Information

Make/Model	Geely Riddar RD6	Top Speed	185 km/hr
NEDC Range/Trim	415 km Champion	Max	DC 120 kW (30 mins)
	560 km Sci Tech Innovation	Charging	/ AC 3.3 kW (19 hrs)
Battery Size	63 kWh 86 kWh	Charge Cost	6,016 RWF 8,084 RWF
Motor	Single Motor - Rear Wheel Drive	(@94rwf/kWh)	
Horsepower / Torque (kW)	272 hp (200kW)		

Dimensions

Consumption	14.1 kWh / 100km / (est. 1,325 RWF) 15.6 kWh/100km/ (est 1,467 RWF)
Body Arrangement	5-door 5-seat \ Foldable back seats
L×W×H(mm)	5260×1900×1830 3.3kW
Weight	2840 kg
Luggage Volume	450kg ; Frunk power outlet; V2V charging
Tires	225/65 17L
Display	TFT screen
Parking Camera	Camera

Extra/Additional Information

Safety Features: Airbags, ABS anti-lock brake, Traction Control, Tire Pressure Monitoring, ISO Add on: lane departure warning, front and rear collision warning, lane keeping assistance, active braking and traffic sign recognition

GEELY EX2

Key Information

Color Options:     

Make/Model	Geely
Trim	EX2
NEDC Range	342 km 39.12 kWh
Battery Size	Rear-Motor, rear-wheel drive
Motor	

Battery Type	Lithium iron phosphate battery
Horsepower/ Torque (KW)	116 hp(85 kW) 130Nm
Top Speed (km/h)	130 km/h
Fast Charging time(min)	21

Dimensions

Consumption (kWh /100km)

Body Arrangement	5 seats, 5 doors
L×W×H (mm)	4135*1805*1570
Ground Clearance (mm)	150
Curb Weight	1215
Front/ Rear tires specifications	205/65 R15
Vehicle To Load	3.3k

Extra/Additional Information

Safety Features: ABS anti-lock braking system, Braking force distribution (EBD/CBC, etc.), Brake assist (BA/EBA/BAS, etc.), Traction control (ASR/TCS/TRC, etc.), Tire pressure monitoring and Vehicle stability control, Driver airbag, Passenger airbag, First row side airbags, Child seat interface, Automatic parking, Hill start assistant and Steep slope descent
